Feeding our communities so that they can grow!

What is feeding our communities initiative?

We support BBQ and food service fundraisers for two very important reasons:

- 1.) They are excellent fundraisers for those organizations that wish to raise money for a purpose that benefits the community.
- 2.) They encourage shopping local.

Donation Information:

- 1.) All product must be ordered through your local Co-op grocery store. The product list should be emailed to t.harper@borderlandcoop.com two weeks before the date of the event.
- 2.) Product donations will be made by the Co-op by way of a gift card contribution towards the product purchased.
- 3.) We would like to be advertised as your sponsor by our logo being placed on posters, thank-yous in the paper, Facebook posts, etc.

Your organization must first send a sponsorship request by email to t.harper@borderlandcoop.com or drop off a completed form to Tera Harper at our Administration Office. Sponsorship forms can be found on our website at www.borderlandcoop.crs.

After approval, your organization will be contacted by phone or email to advise you of your application approval.

Your organization will be responsible for setting a date that is acceptable for everyone involved, creating posters (unless other arrangements have been made), ordering product at least two weeks before the date, organizing volunteers, setup and clean up for the BBQ. If you would like the Co-op to be involved, arrangements can be made by telephone.

Our events BBQ is available to use, please call our member relations manager at 306-435-4658 to book it.

If the donation is larger than \$1000, a cheque presentation will take place and be advertised in our local paper.
