- Moosomin Playfair Daycare
- Rocanville Dream Big Daycare
- Whitewood Daycare
- Local 4H Clubs

Fueling our communities so that they can grow!

We support fuel fundraisers for two very important reasons:

- 1.) It is an excellent fundraiser for those organizations that wish to raise money for a purpose that benefits the community
- 2.) It encourages shopping local when people come to our convenience store/gas bar location to fill up and support the cause.

This fundraiser will be held in the town where the community organization is located, and takes place at our Convenience Store/Gas Bar locations. During the fundraiser, the organization will receive 5 cents per litre of gas sold at the retail pumps for the entire day. **Fuel purchases do not include bulk or cardlock.** They will hold a BBQ that day of which products are purchased at our local Co-op grocery store. If the donation is larger than \$1000, a cheque presentation will take place and be advertised in our local paper.

Your organization must first send a sponsorship request by email to t.harper@borderlandcoop.com or drop off a completed form to Tera Harper at our Admin Office. Sponsorship forms can be found on our website at www.borderlandcoop.crs. After approval, your organization will be contacted by phone or email to advise you of your application approval.

Your organization will be responsible for setting a date that is acceptable with the location's manager, with the help of our member relations person, creating posters (unless other arrangements have been made), ordering product at least two weeks before the date, organizing volunteers, and set up and clean up for the BBQ.
