## *What is our gift card fundraiser?*

**Borderland Co-operative Limited supports local organizations who wish to fundraise by selling our gift cards for these reasons:**

- 1.) This is an excellent fundraiser for those organizations that wish to raise money for a purpose that benefits youth or our communities.
- 2.) It encourages people to shop locally by spending their gift cards at any Borderland Co-op locations.

### **Donation Information:**

- 1.) You will receive 5% of the amount of the gift cards sold to a maximum amount of \$1000.
- 2.) Your group will be in charge of selling, keeping track of all buyers' names, and distributing the gift cards.
- 3.) When you have completed your fundraising goal of \$1000 you can provide us with a list of names and amounts, including a total, then we will activate the gift cards.

Your organization must first send a sponsorship request by email to [t.harper@borderlandcoop.com](mailto:t.harper@borderlandcoop.com) or drop off a completed form to Tera Harper at our Admin Office. Sponsorship forms can be found on our website at [www.borderlandcoop.crs](http://www.borderlandcoop.crs). After approval, your organization will be contacted by phone or email to advise you of your application approval.

Because of the size of the donation, our local paper will take a picture to place in the newspaper. If the donation is larger than \$1000, a cheque presentation will take place and be advertised in our local paper.
